TO DOWNLOAD THE GTA 4 RIV CRACK.Worst yet, he'll be seen less favorably by those who are law-abiding and just want a way to flee the city. Imagine the people who don't care what kind of traffic laws they break and just want to get from Point A to Point B as fast as possible. They'll look at those who drive carefully or use parking meters to get to work as "ragheads" or "liberals," but if "loonies" or "freaks" prefer a safer, more comfortable journey, it's only because it doesn't fit in their worldview. Why should they get to dictate how we live? It is not surprising that we would expect people to obey traffic laws when the lives of other people are at stake. It's sad that obeying the law is seen as "liberal" and not "real" America. We've been taught that obedience is a characteristic of the "good" people. You can use this evidence against the lawlessness of gun advocates, but not for the average Joe or Josephine who just wants to get to work in comfort. If you got to school without any kind of advanced driving training, you would never even think about crashing into other people. The most cautious driver on the road is seen as dangerous, and the most reckless are heroic. How bad can a traffic accident be, if it's in the name of liberty? In the end, this crowd's argument ends up being as arbitrary as airport security: If you don't make me have to obey laws, I won't. But of course, this comes from the same people who scream that airport security is a violation of their right to travel freely. I'm pretty sure that a lot of people don't care if they're taking a flight and they're going to be met with a bunch of cops standing around, but they do care if they're speeding and one of their coworkers gets killed. America wasn't built on the principles of anarchy. This nation
